## **AB109: The Public Safety Realignment Act**

- Passed in 2011
- Began implementing in November 2012
- Created a “split sentence”—serving half of the time in custody, the other half in the community under supervision by County Probation
- Emphasis on Reentry and/or Recovery

# Prisons in America

2008: 1 in 100 people in America in jail or prison

Most Recent info says .73% in Prison (not behind bars)

Other statistics suggest 1 in 32 are in prison or under supervision (3.1%)

One thing is clear: the US incarcerates more people than any other country in the world.

- 5% of the world's population
- 25% of the world's prison population

# Prisons in America

## Four reasons for incarceration:

1. Public Safety
2. Punishment
3. Rehabilitation
4. Deterrence

How should  
the Church  
respond?

# What does the Bible Say?

# Joshua 20:1-5

Then the LORD said to Joshua, <sup>2</sup> “Say to the people of Israel, ‘Appoint the cities of refuge, of which I spoke to you through Moses, <sup>3</sup> that the manslayer who kills any person without intent or unwittingly may flee there; they shall be for you a refuge from the avenger of blood. <sup>4</sup> He shall flee to one of these cities and shall stand at the entrance of the gate of the city, and explain his case to the elders of that city; then they shall take him into the city, and give him a place, and he shall remain with them. <sup>5</sup> And if the avenger of blood pursues him, they shall not give up the slayer into his hand; because he killed his neighbor unwittingly, having had no enmity against him in times past.

## Leviticus 6:1-5

Revised Standard Version (RSV)

The LORD said to Moses, <sup>2</sup> “If any one sins and commits a breach of faith against the LORD by deceiving his neighbor in a matter of deposit or security, or through robbery, or if he has oppressed his neighbor <sup>3</sup> or has found what was lost and lied about it, swearing falsely—in any of all the things which men do and sin therein, <sup>4</sup> when one has sinned and become guilty, he shall restore what he took by robbery, or what he got by oppression, or the deposit which was committed to him, or the lost thing which he found, <sup>5</sup> or anything about which he has sworn falsely; he shall restore it in full, and shall add a fifth to it, and give it to him to whom it belongs, on the day of his guilt offering.

# Restitution

## Luke 19:2-10

Revised Standard Version (RSV)

<sup>2</sup> And there was a man named Zacchaeus; he was a chief tax collector, and rich. <sup>3</sup> And he sought to see who Jesus was, but could not, on account of the crowd, because he was small of stature. <sup>4</sup> So he ran on ahead and climbed up into a sycamore tree to see him, for he was to pass that way. <sup>5</sup> And when Jesus came to the place, he looked up and said to him, "Zacchaeus, make haste and come down; for I must stay at your house today." <sup>6</sup> So he made haste and came down, and received him joyfully. <sup>7</sup> And when they saw it they all murmured, "He has gone in to be the guest of a man who is a sinner." <sup>8</sup> And Zacchaeus stood and said to the Lord, "Behold, Lord, the half of my goods I give to the poor; and if I have defrauded any one of anything, I restore it fourfold." <sup>9</sup> And Jesus said to him, "Today salvation has come to this house, since he also is a son of Abraham. <sup>10</sup> For the Son of man came to seek and to save the lost."

A blurred background image showing a person's hand reaching out and touching a metal prison bar. The image is out of focus, emphasizing the texture of the bars and the gesture of touching them.

**If not in the Bible,  
why incarceration?**

For most of history, imprisoning has not been a punishment in itself, but rather a way to confine criminals until a punishment (often corporal or capital punishment) was administered. There were prisons used for detention in Old Testament times, and the Bible details the imprisonment of Joseph in Egypt

The modern prison system was born in London in the 19<sup>th</sup> Century. The notion of prisoners being incarcerated as part of their punishment and not simply as a holding state until trial or hanging, was at the time revolutionary. This is when prisons had begun to be used as criminal rehabilitation centers.

### **Eastern State Prison in Philadelphia:**

The world's first true "penitentiary," a prison designed to inspire repentance in the hearts of convicts. All prisoners were placed in solitary cells, with light only coming from the ceiling, to keep them "looking to God".

Al Capone was incarcerated here.

On various Wednesdays, eVisit MAY be down at NOON for up to 30 minutes. Please plan your visit scheduling accordingly.

**MONEY DEPOSITS** - "TouchPay" kiosks have been installed in the public lobby of each detention facility to allow visitors to post money to an inmate's account. In order to transition cash transactions from the Custody Information windows to the kiosks, the following dates are important:

Beginning September 1, 2014 - deposits to inmate accounts will only be accepted at the Information windows from 8:00 a.m. to 10:00 a.m., and from 5:00 p.m. to 7:00 p.m. daily.

Beginning October 1, 2014 - Deposits to inmate accounts will not be accepted at the Information windows. Deposits will only be accepted using the "TouchPay" kiosks.

Disabled access visiting areas are available.  
If you have special needs, please contact the Facility Reservation Line directly

Not all persons in the custody of the San Diego Sheriff's Department are eligible for visit reservations via eVisit.

If available, same day visits may be scheduled with the exception of Las Colinas Detention and Reentry Facility and Facility 8 Detention Facility..

When scheduling, you will have to enter correct and current address, ID info and phone numbers for all visitors over 18. This information is mandatory in order to schedule using eVisit. **San Diego Sheriff's visitation terms and conditions**

You will not be able to schedule a visit if you have been released from custody within the past 90 days.

If you have previously been convicted of a felony and served time in state prison, you may not enter the grounds of a county jail without the permission of the Facility Commander. That permission should be obtained in writing before attempting to schedule a visit. Entry to the facility grounds without such permission is a felony (California Penal Code 54571).

If you are on probation, Watch Commander approval is necessary to visit.

An excessive pattern of late arrivals for visits will result in the loss of phone reservation privileges or the suspension of visits. While we attempt to honor all visit reservations, visits may be changed or cancelled without notice.

Also, changes in the inmate's housing assignments may automatically cancel a scheduled visit.

Visits will **NOT BE SCHEDULED** if the inmate has been previously scheduled for court on the same date.

Visitors must check in together **ONE HOUR** before the scheduled visit. If a visitor is late, the visit may be cancelled.

A **maximum of 3 visitors** (including children) may visit an inmate at any one time. Inmates are allowed only one visit per day.

Minors must be accompanied by their parent or legal guardian.

Visit times are subject to **change or cancellation** due to facility security or disciplinary reasons.

Disabled access visiting areas are available. If you have special needs, you must call the visitation line and inform the operator when you make your request.

There is no expectation of privacy in a jail facility. Social visits may be monitored or recorded.

- The PRIMARY VISITOR for this visit must be at least 18 years of age.
- Visitors under the age of 18 must be accompanied by their parent or legal guardian.
- All Visitors over 16 must have a valid ID at the time of the visit.
- This visit MAY BE CANCELLED without notice.
